## Management's Responsibilities and Approval

---

Management is required to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements satisfy the financial reporting standards as to form and content and present fairly the statement of financial position, results of operations and business of the organisation, and explain the transactions and financial position of the business of the organisation at the end of the financial year. The annual financial statements are based upon appropriate accounting policies consistently applied throughout the organisation and supported by reasonable and prudent judgements and estimates.

Management acknowledges that they are ultimately responsible for the system of internal financial control established by the organisation and place considerable importance on maintaining a strong control environment. To enable management to meet these responsibilities, the management committee sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the organisation and all employees are required to maintain the highest ethical standards in ensuring the organisations business is conducted in a manner that in all reasonable circumstances is above reproach.

The focus of risk management in the organisation is on identifying, assessing, managing and monitoring all known forms of risk across the organisation. While operating risk cannot be fully eliminated, the organisation endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

Management is of the opinion, based on the information and explanations given by management that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss. The going-concern basis has been adopted in preparing the financial statements. Based on forecasts and available cash resources management has no reason to believe that the organisation will not be a going concern in the foreseeable future. The financial statements support the viability of the organisation.

The financial statements have been audited by the independent auditing firm, Emslie & Co, who have been given unrestricted access to all financial records and related data, including minutes of all meetings. Management believes that all representations made to the independent auditor during the audit were valid and appropriate. The external auditors' unqualified audit report is presented on page 3 to 4.

The annual financial statements as set out on pages 7 to 13 were approved by the management committee on 22 June 2018 and were signed on its behalf by:

D Malherbe

D Brochenin

Annual Financial Statements for the year ended 31 December 2017

## **Management's Report**

---

The management committee present their report for the year ended 31 December 2017.

### **1. Review of activities**

#### **Main business and operations**

The principal activity of the organisation is community development and there were no major changes herein during the year.

The operating results and statement of financial position of the organisation are fully set out in the attached financial statements and do not in our opinion require any further comment.

### **2. Going concern**

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.

### **3. Events after reporting date**

All events subsequent to the date of the annual financial statements and for which the applicable financial reporting framework require adjustment or disclosure have been adjusted or disclosed.

### **4. Management**

The management of the organisation during the year and to the date of this report are as follows:

D Malherbe  
D Brochenin  
B Malherbe  
N Simoyi  
A Mbambazela  
N Whittai

### **5. Independent Auditors**

Emslie & Co were the independent auditors for the year under review.

Financial Statements for the year ended 31 December 2017

## Accounting Policies

---

### 1. General information

Sustainable Coffee Bay is a non-profit organisation.

### 2. Summary of significant accounting policies

These annual financial statements have been prepared in accordance with the International Financial Reporting Standards for Small and Medium-sized Entities issued by the International Accounting Standards Board. The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

These financial statements have been prepared under the historical cost convention and are presented in South African Rands.

#### 2.1 Property, plant and equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Costs include costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognised.

Depreciation is charged so as to allocate the cost of assets less their residual values over their estimated useful lives, using the straight-line method. The following rates are used for the depreciation of property, plant and equipment:

|                        |        |
|------------------------|--------|
| Land and buildings     | 5.00%  |
| Plant and equipment    | 20.00% |
| Furniture and fittings | 15.00% |
| Office equipment       | 20.00% |
| IT equipment           | 33.30% |

#### 2.2 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets of the organisation at their fair value at the inception of the lease. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly to profit or loss. Assets held under finance leases are included in property, plant and equipment, and depreciation and impairment losses are recognised.

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease.

## Notes to the Annual Financial Statements

| Figures in R | 2017 | 2016 |
|--------------|------|------|
|--------------|------|------|

### 5. Revenue

An analysis of revenue is as follows:

|                        |                |                |
|------------------------|----------------|----------------|
| St Johns Income        | 149,287        | 94,693         |
| Donors and Sponsors    | 262,006        | 326,634        |
| Government grants      | 104,685        | 91,305         |
| Local Funding received | 103,798        | 116,369        |
| SCB donations          | 150,415        | 104,318        |
|                        | <u>770,191</u> | <u>733,319</u> |

### 6. Operating profit

Operating profit is arrived at after taking into account the following items:

#### Expenditure

|                                                   |              |          |
|---------------------------------------------------|--------------|----------|
| Loss on disposal of property, plant and equipment | <u>1,768</u> | <u>-</u> |
|---------------------------------------------------|--------------|----------|

#### Depreciation

##### Owned assets

|                        |               |               |
|------------------------|---------------|---------------|
| Land and buildings     | 31,154        | 31,249        |
| Plant and equipment    | 5,120         | 4,155         |
| Furniture and fittings | 4,509         | 4,509         |
| Office equipment       | 120           | 182           |
| IT equipment           | 3,171         | 1,740         |
|                        | <u>44,074</u> | <u>41,835</u> |

#### Auditors' remuneration

##### Audit fees

|          |       |        |
|----------|-------|--------|
| -current | 5,547 | 16,772 |
|----------|-------|--------|

### 7. Finance income

#### Interest income

|                   |              |              |
|-------------------|--------------|--------------|
| Interest received | <u>8,264</u> | <u>4,875</u> |
|-------------------|--------------|--------------|

### 8. Contingent liabilities

The executive committee is not aware of any contingent liabilities at the reporting date.

### 9. Going Concern

The financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.
